

DJ CLEAR

DJ CLEAR is a Dominican American DJ, remixer and producer widely regarded as one of the most versatile DJs on the planet. An industry veteran, Clear has been featured on Radio, Film and Television. With an extensive knowledge of music, Clear can play most any genre, mixing hip hop, house and old school favorites with today's club hits. Clear moves seamlessly from one style to another and keeps the crowd rocking.

Born and raised in Greenpoint Brooklyn, Clear honed his skills dj'ing house parties and local bars as a teen before bursting onto NYC's booming club scene playing at legendary venues such as The Tunnel, Limelight, Latin Quarters and Cielo. His clientele soon became equally impressive. Past clients include MTV, HBO, the UFC, The Grammys, The ALMA Awards, Ulysses & Jessy Terrero, Fat Joe & Rosie Perez to name a few. He's collaborated with brands such as Heineken, Chivas Regal, Coors Light and Jose Cuervo and artists ranging from Latin superstars Pitbull and Fulanito to Hip Hop luminaries WuTang Clan and Dipset/Byrd Gang. Clear has worked as On Location dj on movie productions, spun film wrap parties, album release parties, runway shows, concerts, festivals, college tours, park jams and parades across the U.S. and notable venues worldwide. Clear starred on the TV show Club La Bomba with Sofia Vergara, has been featured on BET's Rap City, American Latino TV & GalaVision and in Urban Latino Magazine, The Source and Raw Magazine as well.

In the new millennium, Clear made the move to mainstream radio reaching millions of listeners on Sirius Satellite Radio, becoming one of the most popular mixers on his channel. Clear also graced the airwaves on AOL Radio during a four year stint. In '08 Clear collaborated with Legendary DJ Baron Lopez, co-producing his Friday Mix show

broadcasting on Magic 97.3 FM in Puerto Rico. Stints on UBB Radio, FG Radio USA and WLAB Radio soon followed. Presently, you can catch DJ Clear mixing Thursday nights on La Nueva Fiesta 98.5 FM in Long Island, NY.

Clear helped usher in the digital DJ era through an Artist Endorsement from Rane promoting Serato's groundbreaking DVS software Scratch Live back in '04.

A veteran of the mixtape era, Clear incorporates original remixes and mashups into his releases which served him well when he transitioned into music production. He worked as a Remix Artist for famed party break/mash up label AV8 and produced original music for MTV, Bravo, Galavision and Urban Latino TV. In 2018, Clear continues his musical journey launching his own imprint, Deep Fried Recordings.

In 2016, DJ Clear entered and won the Rock & Soul x QSC Online DJ Battle.
